TERMINAL DISCLAIMER

University of Pittsburgh of the Commonwealth System of Higher Education is the owner of the entire right title and interest in the captioned patent application. University of Pittsburgh of the Commonwealth System of Higher Education is also the owner of the entire right title and interest in U.S. Patent 6,711,297. The common ownership of the captioned patent application and U.S. Patent 6,711,297 is established by virtue of an assignment from the inventors, Paul Joseph Chang and Carlos A. Bentancourt, to University of Pittsburgh of the Commonwealth System of Higher Education recorded on October 29, 1999, at reel/frame 010342/0589. The assignment covers the parent application, which issued into U.S. Patent 6,711,297 and all continuation applications, which includes the captioned patent application.

University of Pittsburgh of the Commonwealth System of Higher Education hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§154 to 156, as presently shortened by any terminal disclaimer, of prior U.S. Patent 6,711,297.

University of Pittsburgh of the Commonwealth System of Higher Education hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§154 to 156 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The Terminal Disclaimer fee of \$110 set forth in 37 C.F.R. 1.20(d) is submitted herewith. The commissioner is hereby authorized to use Deposit Account No. 03-3117 for any required debit or credit.
